

NETJETS®

NetJets

NetJets is a private business jet carrier founded in 1964 as Executive Jet Aviation and based in Columbus, Ohio. The carrier operates a variety of business jets manufactured by Bombardier, Cessna, Dassault, Embraer, Gulfstream, Hawker Beechcraft and Raytheon Hawker. NetJets has operated to most airports in New Mexico with significant operations at Santa Fe and Albuquerque. Their jet aircraft are capable to operate at many smaller airports with shorter runways. The carrier also has a base in Portugal operated as NetJets Europe.
