

## Star Airways

Star Airways was based in Denver, Colorado and operated a Saturday only flight from Denver to Taos, New Mexico during the 1978-1979 winter ski season using a Piper Navajo aircraft according to the Official Airline Guide (OAG). The airline existed between 1977 and 1980 operating routes from Denver to Craig, Colorado, as well as to Gillette and Rawlins, Wyoming. Star also operated a Swearingen Metroliner aircraft.
