

Air Charter Express

Air Charter Express was founded in 1985 as Freight Runners Express. The company added the Air Charter Express division in 1992 to operate charter flights for sports teams and other entities. The company is headquartered in Milwaukee, Wisconsin and operates a fleet of Embraer 120 Brasilia and Saab 2000 aircraft for Air Charter Express. The Freight Runners Express division operates with Embraer 120 Brasilia and Beechcraft 99 aircraft converted to transport airfreight.

Air Charter Express operates passenger charters at Albuquerque, mainly during the winter months, transporting college basketball teams.

Air Charter Express Saab 2000 at the Albuquerque International Sunport in 2022.
