

PHI Air Medical

PHI Medical is an air ambulance provider across the United States providing air medical services and outreach education to local communities and leading healthcare systems since 1984. PHI has its headquarters in Phoenix, Arizona and has bases at the Albuquerque International Sunport and at the Grants and Tucumcari Municipal Airports in New Mexico. PHI's Eurocopters regularly serve all airports and hospital helipads throughout New Mexico.

PHI Eurocopter AS-350-B3 at the Albuquerque International Sunport.
