

Victory Air

Victory Air was established in 2003 and is based in Fort Lauderdale, Florida. The carrier is managed by DAS Plane LLC and focuses primarily on providing charter flights with a fleet of Embraer 145 regional jets. Victory Air received a contract in 2019 to transport the University of New Mexico men's basketball team for their out-of-town games.

Victory Air Embraer 145 at the Albuquerque International Sunport.
